Please email a brief description, & photo(s) to listing@creekviewrealty.com

Please be sure to reference the property address in the email, and include your last name.

1) Please email a brief description of the property. The space for the description is limited to 450 characters WITH SPACES. (MS Word will count characters for you: Go to "Tools" and select "Word Count".)

Tips for writing description: Emphasize major selling points that aren't prominent in other parts of the listing. For example, "4 bedroom, 2 bath home on 1/4 acre . . ." is redundant and a waste of space. Stick to facts that relate to the property, and skip the flowery language that doesn't give any real information. Please note that phone numbers, web sites, email addresses, etc. are not allowed in MLS descriptions and will be omitted.

Sample – Good description:

One story home with 3 car garage on quiet cul-de-sac with mature trees. Open floorplan, neutral colors, split floorplan. Master suite has sitting area and huge his & her walk-in closets. New roof 2004. Exemplary schools; walk to elementary.

Sample – Bad description:

Enjoy summer barbeques with family and friends and create lasting memories in the beautiful backyard of this 3 bedroom 2 bath 1800 square foot home in a nice neighborhood with good neighbors. Pull-down staircase to attic replaced 2 years ago.

2) Please email photo(s) in jpg format. To get the best photos, refer to the Photo Guide on our website at <http://www.creekviewrealty.com/photoguide.html>

Please be sure photos do not exceed 640x480. For help with resizing & emailing photos, see <http://www.creekviewrealty.com/resizephotos.html>
