YOU'RE NOT DONE YET!

Please email the directions, a description, & photo(s) to listing@creekviewrealty.com

Please be sure to reference the property address in the email, and include your last name.

1) Please email the directions of how to get to the property. Starting with some major cross streets is good enough. **The space for the directions is limited to 400 characters WITH SPACES.** (MS Word will count characters for you: Go to "Tools" and select "Word Count".)

2) Please email a brief description of the property. **The space for the description is limited to 1000 characters WITH SPACES.** (MS Word will count characters for you: Go to "Tools" and select "Word Count".)

Tips for writing description: Emphasize major selling points that aren't prominent in other parts of the listing. For example, "4 bedroom, 2 bath home on 1/4 acre . . ." is redundant and a waste of space. Stick to facts that relate to the property, and skip the flowery language that doesn't give any real information. Avoid irrelevant details that nobody cares about. Please note that phone numbers, web sites, email addresses, etc. are not allowed in MLS descriptions and will be omitted.
